**SHORT BIO:**

Harsha Shanthanna is a Professor of Anesthesiology and an Associate Member of Departments of Surgery; Health Research Methods, Evidence, and Impact (HEI); and School of Biomedical Engineering at McMaster University, Ontario, Canada. He completed his MBBS from Hubli, India, and obtained his Anesthesiology training from Solapur, Maharashtra and Midyorkshire Trust, England. He obtained specialist training in Pain Medicine from McMaster University and is certified by the Fellow of Royal College of Physicians and Surgeons, Canada, in both Anesthesiology and Pain Medicine. Additionally, he completed a MSc and PhD in Clinical epidemiology and Health research methods from McMaster University. He is a recognized expert in the field of perioperative analgesia and chronic pain. He serves in the Research Advisory Committee for the Canadian Anesthesiologists' Society; Chair, Interventional Pain Special Interest Group, Canadian Pain Society; Member of the ASRA Pain Medicine regulatory committee and the Newsletter committee, apart from several other memberships in national and international organizations. He has been the recipient of several national and international research awards, received more than 40 successful grants, and published more than 125 peer reviewed articles, and 8 book chapters.
